ACADEMIES
TRUST**

**POLICY FOR THE
DELEGATION OF
TRUST BOARD
FINANCIAL
POWERS AND
DUTIES**

**Approved by the Trust
Board on**

5th October 2020

Aston Manor Academy and Chilwell Croft Academy are governed by a Trust Board constituted under a Memorandum of Association and Articles of Association of Equitas Academies Trust.

The Trust Board is responsible for ensuring that high standards of corporate governance are maintained. It should exercise its powers and functions with a view to fulfilling a largely strategic leadership role in the running of the Academies, addressing such matters as:

- **policy development and strategic planning**, including target-setting to keep up momentum on school improvement;
- ensuring **sound management and administration** of the Academy, and ensuring that managers are equipped with relevant skills and guidance;
- ensuring compliance with **legal requirements**;
- establishing and maintaining a transparent system of prudent and **effective internal controls**. The Trust's annual report and accounts must include a statement on the efficiency and effectiveness of such controls;
- management of the Trust's financial, human and other **resources** (in particular control over the spending identified in the academies development plan);
- **monitoring performance** and the achievement of objectives, and ensuring that plans for improvement are acted upon;
- helping the Academy be **responsive to the needs of parents and the community** and making it more accountable through consultation and reporting;
- setting the Academies **standards of conduct and values**;
- assessing and managing **risk** (including preparation of a statement on the Academies risk management for its annual report and accounts).

Specific Areas which the Trust Board will oversee include:

- Approval of the academies improvement plan;
- Approving specific policies developed by committees (e.g. related to curriculum, procurement, risk management etc.);
- Approval of the budgets for Equitas Academies Trust.
- Determining levels of expenditure to be approved (e.g. committing to contracts over certain values), and levels to be delegated;
- Approving transfers between budgets over certain limits;
- Determining certain employees' terms and conditions (within the constraints of TUPE) and remuneration;
- Approving the annual report and accounts;
- Approving certain accommodation proposals;
- Decisions involving controversial, significant or unusual discretion.

Many Trust Board responsibilities will be delegated to committees or individuals. To ensure sound financial control, this policy statement specifies the decisions of the full Trust Board with regard to which financial functions it chooses to delegate to a committee and which to an individual. Where responsibility has been delegated, all decisions taken will be properly recorded for reporting to the Trust Board as and when it requires.

The policy takes into account:

- i) Academy Financial Regulations
- ii) Academy Financial Procedures

Trustees do not incur any personal liability in respect of anything done honestly, reasonably and in good faith in exercising their power to spend an Academies budget share, or delegating that power to the Headteachers, the Chief Operations Officer and/or the Accounting Officer. The Trust Board is accountable for all actions taken in its name by individuals or committees to which it has delegated functions. Where the Headteacher delegates tasks to other members of staff, the Headteachers remain accountable to the Trust Board.

The full Trust Board will review this policy annually at their start-up meeting.

EQUITAS ACADEMIES TRUST
TERMS OF REFERENCE FOR THE DELEGATION
OF THE FINANCIAL POWERS AND DUTIES OF THE TRUST BOARD

In order to allow the Academy to function efficiently, delegation to the Head teachers and to other members of staff is necessary. The extent and level of any such delegation should be agreed by the Trust Board subject to approval by members of the Equitas Academies Trust.

In this template a shaded box indicates that such delegation is not permitted because of national or local regulations or would not be best practice. Where committees exist, the name of the committee to which the function is delegated should be specified either in the column heading(s) or in the Comments column. Further comments may be added where you wish to clarify your decision.

Activities are listed in alphabetical order and not according to level of importance.
